Connecticut Water Service Issues 2016 Corporate Sustainability Report

Clinton, Connecticut, August 15, 2017 -- Connecticut Water Service, Inc. (NASDAQ:CTWS), (CTWS) today announced the availability of the Company's updated 2016 Corporate Sustainability Report (CSR). The update demonstrates the company's progress and milestones in achieving its environmental and social goals.

Eric W. Thornburg, President and CEO of Connecticut Water, stated, "I am pleased to share this update to our Corporate Sustainability Report. This report highlights our achievements over the past several years in conducting our business operations in a manner that respects the natural environment and values service to customers, communities, employees, and shareholders."

The report contains information about Connecticut and Maine Water's activities across the entire breadth of its organization, including in the areas of sustainability, environmental stewardship, water conservation, energy management and social awareness. The report is available to view and download on the Company's subsidiary websites www.ctwater.com and www.mainewater.com.

CTWS is one of the ten largest U.S.-based publicly-traded water utilities, and is listed on the NASDAQ Global Select Market under the ticker symbol CTWS. Through its regulated utility subsidiaries in Connecticut and Maine, CTWS, serves more than 134,000 water customers, or more than 425,000 people in 80 communities across Connecticut and Maine, and more than 3,000 wastewater customers in Southbury, Connecticut.
