LINEBACKER PROTECTION

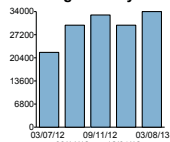

Connecticut Water's trusted Linebacker® program can protect you from unexpected repair costs for your water line, wastewater pipes, and in-home plumbing! With household budgets stretched tighter, it is even more important now to enroll in Linebacker and avoid the unexpected costs of water and wastewater emergencies. The Linebacker Plans provide you the protection you need it:

- The pipe that carries drinking water to your home leaks or breaks;
- The pipe inside your home leaks or breaks;
- The wastewater line inside your home or on your property leading to your septic system or public sewer line is clogged.

For more information log onto our Web site at www.linebacker-plan.com.

If you are planning a construction project this spring, remember to notify **Call Before You Dig** at 1-800-922-4455 or 811 at least two full working days before you begin work. Never begin digging before underground wires, cables or pipes are located. *It's easy, it's free and it's the law!*
