

USING THE CWC GIS FLUSHING MAP

(please note that flushing dates are subject to change due to emergencies and schedule changes – check back for updates)

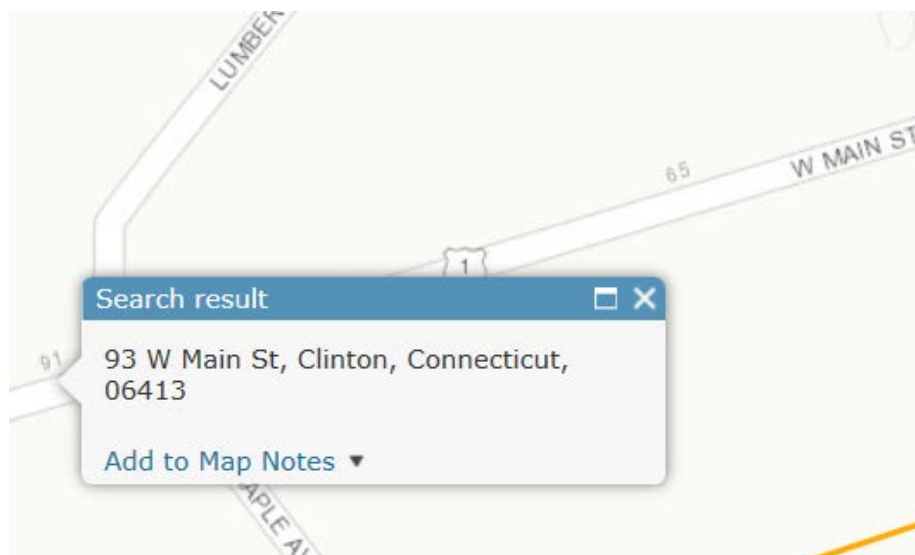

STEP 1 – Enter the Address in the Search Field on the Upper Right of the Screen

*Site will auto-fill the address as you type

*Click on the correct address in the results listed or click the Hourglass

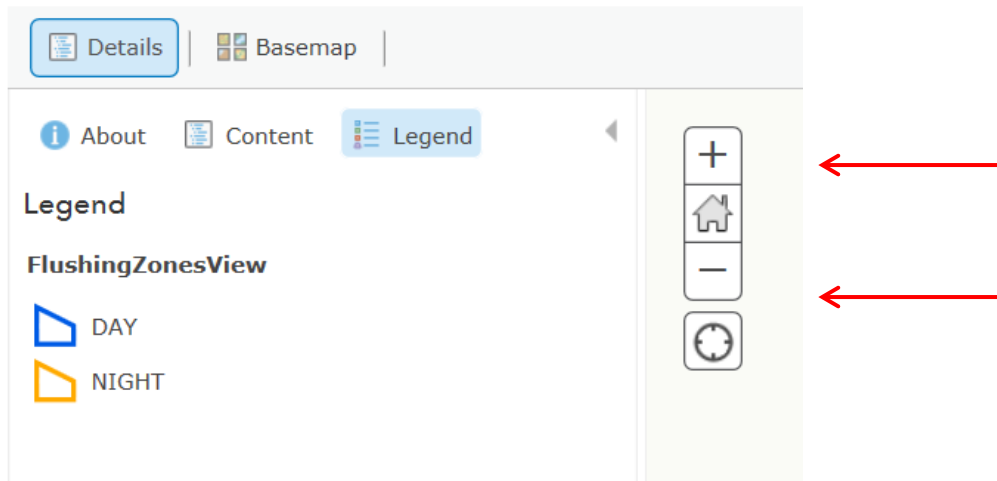

The map will zoom to the location

STEP 2

Click the + or – Icons to Zoom in and out

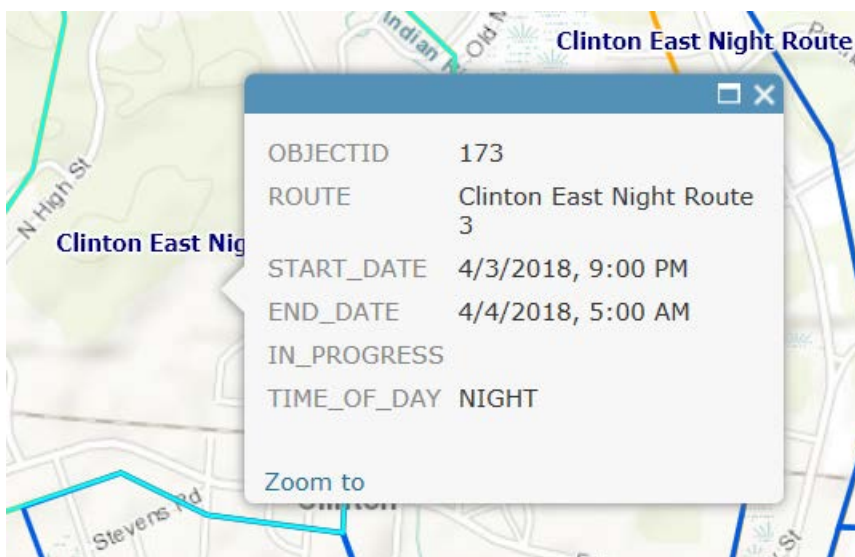

ArcGIS ▾ CWC Flushing Zones

STEP 3

Click within the Route Shape of the Address – Route and Time will Populate

(note: only night routes over 2 dates will indicate an end date)

Options – Selecting a new Base Map – Click on Imagery to View Your House or Business
