

Connecticut Water Accepting Applications for 2022 Firefighter Support Grant Program

\$15,000 Grant Program Will Award Grants for Uniformed Volunteer or Paid Departments
in Communities Served by Connecticut Water

CLINTON, Conn. — November 11, 2021 — Connecticut Water is pleased to open applications for its 2022 Firefighter Support Grant Program. This is the third year of the program, which in 2021, awarded grants to 12 departments across the state.

The program will award up to \$15,000 in 2022 to uniformed volunteer or paid departments in communities served by Connecticut Water to help fund the purchase of slow-close hydrant valves, backflow preventers, isolation valves, water handling equipment or other firefighting tools and educational materials.

“Connecticut Water values its partnership with firefighters and emergency responders as they ensure public safety and protect our homes, businesses and communities,” stated Maureen P. Westbrook, president and CEO of Connecticut Water. Ms. Westbrook added, “The Firefighter Support Grant Program supports the vital service they provide to the community while also protecting the public water systems that supply water to fire hydrants.”

Applications are due on March 1, 2022. For complete information and to download an application, visit ctwater.com/community and click Firefighter Support Grant Program.
