

Connecticut Water Announces 2022 School Water Filling Station and Fire Department Grant Recipients

10 Schools and 11 Fire Departments in Connecticut Water Service Communities Awarded

CLINTON, Conn. — April 11, 2022 — Connecticut Water has announced the recipients of its 2022 School Water Bottle Filling Station and Firefighter Support Grant programs.

The programs, launched in 2020, provide touch-free water bottle filling stations to schools served by Connecticut Water and financial support for equipment or training for fire departments within Connecticut Water’s service communities. Each program includes a minimum funding commitment of \$15,000 from Connecticut Water, part of its annual \$120,000 commitment to support community and charitable organizations. Connecticut Water’s charitable giving programs are funded by the company and not recovered in customer rates.

In addition to supporting the needs of Connecticut Water’s service communities, the School Water Bottle Filling Station Grant Program also aims to support Connecticut Water’s commitment to the environment by promoting the use of reusable bottles.

The following schools have been awarded fill stations as part of the 2022 program:

- Broad Brook Elementary, East Windsor
- Ellington High School, Ellington
- Center Elementary School, Ellington
- Prudence Crandall School, Enfield
- Pomperaug Elementary, Middlebury/Southbury
- Cross St. Intermediate School, Naugatuck
- Hillside Intermediate School, Naugatuck
- Hop Brook Elementary School, Naugatuck
- Baldwin Middle School, Guilford
- Maple St. School, Vernon
